AWE EARLY LITERACY STATION NOW AT LADYSMITH

Rappahannock Electric Cooperative's C.A.R.E., which is part of the Operation Round Up program, awarded a grant to the Caroline Library. This grant is made possible by Cooperative's customers who choose to round up their electric bill. That change goes to support grants such as the one received by the Library.

As part of the effort to increase digital literacy in a safe environment, The Caroline Library pursued this grant as a way to introduce children to computers in a positive way that supports learning. With this grant,

the Library purchased an AWE Early Literacy Station for the Ladysmith branch. The Early Literacy Station is designed specifically for the Library's youngest patrons (ages 2-8) and features over 4,000 localized learning activities. The fun, interactive and engaging content spans all seven curricular areas: math, science & nature, social studies & geography, reading, art & music, writing & computer skills, and reference.

Studies show that the integration of blended learning into early child-

hood education can increase literacy, improve school readiness, and prepare young learners for curriculum that is based on STEAM.

Stop by the Ladysmith branch and check it out.

ADULT WINTER READING PROGRAM

The Adult Winter Reading Program is back. This year we would like you to set your own reading goal for the months of January and February.

How does this work? Come

in to any branch and pledge the number of books you will read from January 1st to February 28th. Complete your goal and be entered to win an Amazon gift card. There will be one winner from each of our

branches. Winners will be drawn at random on March 1st. Good luck!

Are you stuck in a rut? Need some help branching out with your reading selections? We have the answer - Genre of the Month Club. This unique challenge will help you branch out into unfamiliar territory. You may find you enjoy these uncharted genre territories.

Each month we will chose a different genre for you to explore. Read one book in that genre in the month and let us know what you have read. At the end of the year if you have completed all twelve genres, you will be entered for a chance to win a gift basket.

If you get stuck, we will encourage you and help make book selections that will make this exploration a little less intimidating.

Your challenge begins:
January - Biography
February - Romance

With the holidays, local food pantries deplete their resources to help the hungry in our communities. The Library would like to help restock these food pantries and help you with your late fees. During the week of January 9th - 14th we will waive \$1 of your late

fees for every nonperishable item you donate to the Library. These items will then be given to food pantries in your community. Bowling Green and Port Royal items will be given to Social Services. Items from Dawn will be given to the Second Mt. Zion food pantry. Lady-

smith items will be given to Rehoboth United Methodist Church food pantry. Before bringing in your canned goods, please check the expiration date on your items, thank you!

*Does not apply to lost or damaged items.

VIRGINIA MEMORY

Virginia Memory is part of the online presence of the Library of Virginia, the state archives and reference library at the seat of government for the Commonwealth of Virginia. Established in 1823, the Library maintains vast and varied col-

lections of print materials, manuscripts, archival records, newspapers, photographs and ephemera, maps and atlases, rare books, and fine art that tell the history of the Commonwealth and its people. Since the mid-1990s, the Library has
